Product Specification Sheet

Targus DEFCON® SCL (Serialized Cable Lock)

Part #: PA410S-1

Product Description:

Also available in bulk pack (PA410S)
Not Available Direct- For Corporate Accounts Only

The Targus DEFCON® SCL (Serialised Cable Lock) is a serialised lock with a pre-set combination. It is sold in multiples of 25 under model number PA410S. This Targus laptop security product finally provides a computer security solution for complete asset protection. The Targus DEFCON Serialised Cable Lock (SCL) is 6.5 feet of cut-resistant, galvanized steel cable that loops around any secure object and easily attaches to your laptop computer's lock slot. Our DEFCON SCL features a pre-set combination lock. The DEFCON SCL is the first laptop computer security product to offer the benefits and convenience of a keyless security solution.
